You Define "Success!"

THE 2010 SALES AWARDS

We are proud to expand our spotlight this year to include top-producing Chicago REALTORS® in both Residential and Commercial sales, recognizing Residential Teams, for the first-time, as well as Commercial practitioners. You exemplify professionalism at the top of the game in any market. You are also at the vanguard of revitalizing real estate, proving deals are being done and helping clients successfully navigate today's transactions.

Data was pulled and compiled between January 7, and January 26, 2011, for the 2010 year. Agents or offices which changed during this time may not necessarily reflect where a respective agent is today, or a new office's name. Residential transactions are solely based on data from Midwest Real Estate Data (MRED), and Commercial awards also include transactions submitted and verified. Teams have been recognized from the agents' own declaration in MRED as a "Team."

Thanks to all Chicago REALTORS® who worked hard in 2010 to help serve our communities and help individuals, families and businesses realize their dreams with a solid investment in Chicago's real estate. Thank you for supporting your peers and for your constant confidence in real estate.

Sales Awards remain a powerful testament to the power of hope, dedication and cooperation. Congratulations to all who completed 2010 transactions. We wish you a record-breaking 2011 and will continue to be awed by your definition of "success!"

A Special **THANK YOU** to the Sales Awards Committee
