2013 Sales Awards

CELEBRATING EXCELLENCE

Congratulations to all the winners of C.A.R.'s 2013 Sales Awards. Through these awards, we recognize the hard work, superior market knowledge, mastery of technology and tools, and cooperation with other REALTORS® that have led you to this stage and to your success.

C.A.R. Sales Awards honor not only the achievements of our top producers, but our members' collective effort to bring the highest level of professionalism, ethics, commitment and service to buyers and sellers in the Chicagoland area.

Data was pulled and compiled on January 22, 2014, for the 2013 year. Agents or offices which changed during this time may not necessarily reflect where a respective agent is today, or a new office's name. Residential transactions are solely based on data from Midwest Real Estate Data (MRED). Teams have been recognized from the agents' own declaration in MRED as a "Team."

We wish you every success in 2014 as you continue to do excellent work on behalf of your clients and our industry.

2014 Success Tips

from the
Top Producers

"PMA (Positive Mental Attitude). So many aspects of selling homes can drag you down and bring disappointment. Always move forward with a good attitude."

Robert Kohler
Coldwell Banker Residential

"If you cared more about your clients' needs than you do about the commission, success will follow!"

Janet Owen
Prudential Rubloff

"Build relationships and always err on the side of kindness."

Elizabeth Ballis
Coldwell Banker Residential Brokerage

"Approach each day with an appreciation of how fortunate we are to have the opportunity to serve our clients."

Andre Bennett
Royal Crest Realty, Inc.

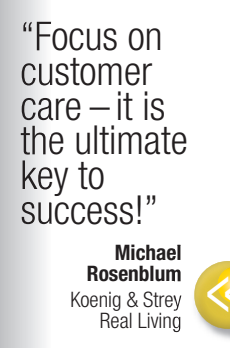

"Know your product and be prepared to work really hard."

Chezi Rafaeli
Coldwell Banker Residential

"No matter how busy and stretched thin you may be in this new/improved market, always respond to emails/vmails as instantly as possible. When all else is equal, more business is won because of responsiveness to an initial contact than for any other reason."

Mario Greco
Prudential Rubloff

"Set goals, stay positive and continue learning. Be willing to take risks – you will be happy if you succeed and wiser if you fail."

Philip Skowron
@properties

"Celebrating small victories will lead to big successes"

Anthony Disano
ParkVue Realty Corporation

"DO NOT BE A SECRET AGENT – ALWAYS BE NETWORKING!"

Sharon Rizzo
Dream Town Realty

"We cannot control the market or inventory, but we can control our interaction with our clients. Great customer service will always lead to more business."

Stephanie Brimo
Redfin Corporation

"Follow up with past clients and make them your advocates for future business."

Joe Castillo
ERA Mi Casa Real Estate

"Elevator speech. A short pitch that you can tell to someone in an elevator before the elevator reaches a selected floor. What do you do, what distinguishes you from other brokers and why are you successful?"

Beth Wexler
The Wexler/Gault Group @properties

"Change and Dedication. The markets change from month to month in Chicago, so should your marketing, and your tactics. Do the work and the money will come."

Mauricio Gonzalez
Citywide Realty LLC

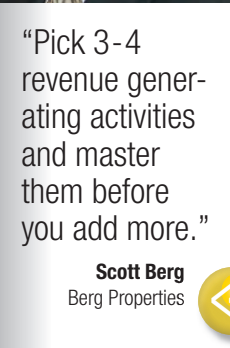

"Stay focused on market trends, technology and your business plan!"

Linda O'Donnell
RE/MAX Signature

"Get the knowledge, then sell your knowledge."

Nancy Tassone
Jameson Sotheby's International Realty

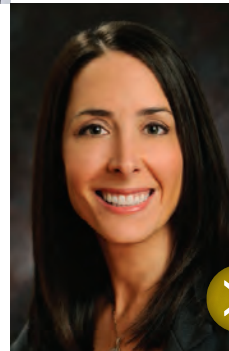

"First and foremost, enjoy what you do. Always make a great first impression, and a second, and third. And don't forget to take risks, you can't run a successful business without it."

Sonia Habibovic
Koral Realty

"Always keep yourself in touch with your past and future clients. While technology is extremely important in this day and age, it is just a tool to streamline our business, but nothing compares to the power of connecting face-to-face."
